PROFESSIONAL SUMMARY

Customer service professional with 6 years of call center experience supporting top global brands — including eBay, PayPal, Google, and UnitedHealth Group — across technical support, healthcare benefits, and e-commerce accounts. Well-trained in resolving complex issues, de-escalating difficult situations, and handling challenging customers with patience and professionalism. After transitioning to freelance work, spent 7 years managing Amazon stores — progressing from Customer Service VA to Store Manager to Senior Manager/Team Lead — and now runs a Virtual Assistant agency that provides trained VAs for a wide range of business needs. Brings a versatile, tech-savvy edge with hands-on skills in AI tools, graphic design, and video editing.
